HE WAS FED AND HAD NOTHING BETTER TO DO, SO HE ASKED ME OUT TO SEE HIM EATING?
I'M FURIOUS!
<HEARTFELT WORDS>
That... Luo Wei...

You don't have anything to say?
If you don't say anything, I will leave!

Lift his head

Panic!
Where

If you
promised me
not to go,
then I will
release you.

Ok...ay! You let me go first.
I promise you, that is it
What exactly are you going to do?
Don't be impatience- we are old friends
sit down and chat Is that not possible even for a cup of tea?
Haru

You've changed, do you know that?
The you in the past would not dare talk to me like this!
You were always timidly hiding behind that man--
Bully--
Is it fun that you bully me? What on earth is your intention-

From little kids to big kids, you brought me only miserable memories!
I do not think there will be anything to talk about between you and me.
I just hope you do not bother me again!
That is all!
At that moment—
Luo Wei is smiling—
But...

I am sorry...

To hurt others in order to cover up the truth-

Only makes the wound deeper...

The Luo Wei that I have known...did he smile like this?

-If this is a smile-

First, don't be angry. I asked you out today.
until unfixable-
Is to let you see one person's true face-

Shang... Shang Zhen?
.....
.....

Grab!
Shang Zhen~

Harry!
It's very late now, let me take you home!

Dear teacher, don't you think dating two women at the same time is a bad behavior?
Excuse me, I will take her home right now!

What to do–

Shang Zhen...

On the way home, Shang Zhen only kept silent, and even without looking at me...
Who was that woman earlier? Why was he with her together...?
Believe me...
Full of questions, but I can't bring myself to ask--
What is going on... Shang Zhen....

So, that's why you will be with another woman?
Unless you really hate me.
